

Thank you for your interest in ordering a quilt from Put-in-Bay Creations. I would like to let you know a few things before you decide to have this wonderful keepsake quilt added to your home;

- Each quilt is an individual work of art! It will be made as a one-of-a-kind item just for you
- ½ The cost is required up front for deposit and cost of goods
- Only items you are responsible for supplying are the shirts
- Final design can be sent to you for your approval (either via email or USPS)

We will meet for final approval of the quilt (or I can send a photo for final approval). This is when the final payment is due. If the quilt is to be shipped to you then you are responsible for the cost of shipping and letting me know which courier you prefer for shipment (USPS, FedEx, UPS, etc).

Quilts take roughly two (2) months for me to finish from the time I start them. When you get me your shirts I will let you know when I expect to be able to start yours. Thank you again for your interest in ordering a quilt from Put-in-Bay Creations. I look forward to working with you.

Sincerely,

Mystique Karr

By signing on the line below you agree to the above terms and are as excited as I am to get started.
